Market Share Information

- A market share membership gives you the opportunity to support a local, family owned Certified Organic farm.
- Unlike a traditional CSA, you are able to pick what you want, when you want it from our market stand. Spend your farm dollars on veggies, melons, strawberries, herbs, and dried beans.
- Each member will receive a pin number that corresponds to their farm dollars. Each time you stop at the stand fill out a handy order card with your pin and your account will be adjusted.
- We will be at the Prairie Lake's Farmers Market every Thursday from 3-6pm starting May 3 through Mid-October
